**Manhattan Village Estates  
Email Newsletter Registration**

The Board is working to revamp our Estates website and we'll be starting a new email newsletter to improve communication within our community. In keeping with Association practices, the newsletter is "opt in" and homeowners will have the ability to unsubscribe at any time. We anticipate a monthly newsletter but it may increase to twice a month, as needed. This will allow us to reduce our hard copy mailings and also communicate more urgent news (power outages, etc.) in a timely manner.

To add your family to the list, please complete the form below and return it to the Management Office by **May 21** or email to [mvenews@gmail.com](mailto:mvenews@gmail.com). Any questions may be emailed as well.

We're also considering an Estates "Directory" with contact information for all of our neighbors. Please complete the questionnaire below and indicate if this is something you'd like to see. Thank you for your participation!
